### CAMPBELL COUNTY TRASH FOR CASH LETTER TO THE EDITOR GUIDELINES

As part of the Trash for Cash Agreement, each group is required to send a letter to the editor of the Campbell County Recorder. The letter is intended to spread the word about litter to our neighbors and to educate the public about the problems litter creates.

Please keep the following guidelines in mind when you write this letter:

- Talk about your experience. How did you organize your cleanup? How many miles did you cover? How many volunteers did you have? What did you find?
- Share your thoughts about litter. What was it like to pick up other people's trash? What did you learn? What would you like to tell your neighbors about how litter affects our community?
- Please do NOT center the letter on talking about the Campbell County Solid Waste or Fiscal Court. You can mention these entities; however the purpose of the letter is to reflect on your experiences.
- To print the letter the Recorder asks that your letter only have a 100 word limit. Be sure to include your name, address, community/organization and your daytime phone number.

You can email letter to the Campbell County Recorder's editor, Michelle Shaw, at [mshaw@nky.com](mailto:mshaw@nky.com) or mail them to the Community Recorder/Northern Kentucky Office, 228 Grandview Drive, Fort Mitchell, KY, 41017. You must send a copy of the letter to the Campbell County Solid Waste either at [dplummer@campbellcountyky.org](mailto:dplummer@campbellcountyky.org) or to 24 West 4<sup>th</sup> Street, Newport, KY, 41071.

If you would like you may write your letter to another publication – the Kentucky Enquirer, a church newsletter, a school hand – just be sure to give the Campbell County Solid Waste Coordinator a heads up.

Lastly, you will have two weeks from the date of your cleanup to send in your letter. If you need more time, please let the County know.
